

**NJTPA Local Concept Development Study for
Bergen County/Essex County Kingsland Avenue Bridge
over the Passaic River
Township of Lyndhurst and Township of Nutley, NJ**

RE: * Public Comment Period REMINDER *****

The Public Information Center (PIC) Comment Period ends Friday, November 18, 2016 and the Project Team would like to receive Community Input Surveys by that date also to understand the community interests regarding the Kingsland Avenue (DeJessa Memorial) Bridge.

However, there is no deadline to indicate if interested in the project and would like to attend future community stakeholders meetings or public meetings. If interested, everyone is welcome to visit the project website (www.kingslandavenuebridge.com <<http://www.kingslandavenuebridge.com>>) to complete the survey and to note interest in attending community stakeholders meetings and/or sign up for the mailing list to be notified of future public meetings.

Community input and comments are always welcome during this Bridge Study, please do visit the web site regularly to view the progress.

Thank you for your interest and support. We look forward to continuing to work with the communities of Lyndhurst and Nutley on this important bridge improvement project.

Sincerely,
Kingsland Avenue Bridge Study Project Team
